Technology Platform Mirrors

- To increase the internationalization process, TICE.PT is promoting 4 mirror platforms.
    - NESSI - (animated by CCG/UM)
    - NETWORKS-5G (Animated by IT)
    - EPoSS (Animated by Inesc Inov)
    - NEM (Animated by Inesc Tec)

Technology Platform Mirrors

Challenges

- To increase the interaction among national players and the ETP's
- To create a Portuguese Forum to promote and discuss European strategies and to align European policies with Portuguese one.
- To create a platform to build up national and international consortia involving Portuguese actors.

ICT4Future

- One of the approved European Strategic Partnerships
- Created to promote ICT as a Tool to other sectors
- Grows from the clusters wills and networks
- Presently the members are TICE.pt, GAIA (SpanishBasque Country), Aerospace Valley (France), Pôle SCS (France), Clusterland Sweden, Mazovia ICT Cluster (Poland)
- We are preparing a COSME proposal to fund the partnerships activities
- We are preparing a H2020 proposal to SCC demonstrators

Some names to remember when visiting Portugal….

Many reasons to visit Portugal...
